October 2024 Newsletter

DIRECTOR'S MESSAGE

Last month we were spoiled with beautiful fall weather, and as the leaves continue to change we can't help but look forward to all the fun that October will bring us. We love seeing the kids get excited about Thanksgiving and Halloween and seeing all the creative crafts and activities the staff plan to embrace these holidays. We are thankful for an incredible staff team that not only works hard in their own rooms at their own sites but are also willing to step in and lend an extra hand when we've been short staffed in other rooms as well.

Thank you to all who participated in our most recent fundraisers, we will send out official delivery dates once we hear back from the organizers. We are also looking forward to our upcoming November Comedy Night fundraiser which tickets are currently available for as well. It's another great way to support the daycare while enjoying some great laughs, food and among other things! Please share our Facebook post and help us make this night a success!

REMINDERS

Please keep your children home if they are feeling unwell, as cold/flu season approaches we want to try to keep everyone as healthy as we can!

Please ensure your children have extra clothes at daycare in case of accidents, spills or unexpected messy play.

As the weather changes please make sure your child has appropriate outdoor wear.

Please call or message the daycare if your children will not be in attendance for the day or will not be riding the busses after school!

Kindergarten families please ensure the daycare has your child's schedule and you inform us if your child is riding the bus, if we don't hear from you we will assume your child is not on the bus and will not be responsible if they don't get off.
